JOSE IGNACIO PUERTO MENDOZA

I'm Nacho Puerto, a Fullstack Developer with a special focus on front-end and a solid background in graphic design. I'm eager to put my knowledge into practice in real and collaborative projects.

I have a great motivation to get into the industry, which makes me strive day by day, committing myself to continuous learning of new technologies and projects.

EDUCATION

Sep 2016 - Jun 2018

C.F.G.S DESIGN 2D, 3D VIDEO GAMES AND INTERACTIVE ENVIRONMENTS
ESCAV, Granada

At this stage, I also focused my participation in projects on interface design and took my first steps in programming.

Sep 2019 - Jun 2024

Design and Digital Creations
Universitat Oberta de Catalunya, Remote

During the final stage of my career, I focused on web design, taking several courses that allowed me to specialize in HTML and CSS, Javascript, UX/UI design, interface design and p5.js.

Nov 2023 - May 2024

Full Stack Web Development
Ironhack, Remote

During the course, I developed three projects visible in my portfolio and on LinkedIn, with which I acquired extensive knowledge in JavaScript, React, Node.js, MongoDB and Docker.

WORK EXPERIENCE

Mar 2018 - Jun 2018

Graphic Designer
MEGASUR S.L, Granada

Internship contract collaborating in the design of catalog, website and products of the Phoenix brand.
